Artwork copyright is the property of the GSK Group of Companies. All suppliers providing a service to GSK for printed components of any description must ensure that they have a licence for all texts / software used in conjunction with GSK artwork. The distribution and use of texts / software without a licence constitutes an intellectual property infringement. GSK will not accept any liability for the breach of third party intellectual property rights by printed component suppliers. The GSK certification / self process requires suppliers to declare that they do not use unlicensed texts / software and may require the supplier to produce evidence of such licence to GSK.
